

## Zilon Spray & Shine Dry Wash

### Product Information

#### Summary

- Zilon's Spray & Shine Dry Wash is designed for spray application to give your vehicle a showroom shine
- Safe effective luster enhancer for all paint systems
- Special high-lubricity formula which removes dirt without scratching, leaving a high-gloss look
- When used in combination with Zilon's clay glove, Zilon's Spray & Shine Dry Wash will net massive time savings over traditional clay bars resulting in large reductions in labor costs
- Completely portable, great for spot washing and complete car wash without water. Ideal for maintaining the perfect finish
- Perfect for removing all residue after buffing. Designed for safe application on all paint finishes, chrome, wood veneer, trim, britework and plastic

#### Application instructions

1. Shake well and apply in shade on cool surface (not for heavily soiled finishes)
2. Mist spray on a small area of the vehicle, quickly spread product evenly over the finish with a new microfiber cloth and if necessary, use a clay glove
3. Immediately use a dry microfiber cloth to dry surface and lightly wipe to a deep gloss shine

#### Caution

KEEP OUT OF REACH OF CHILDREN. If swallowed, do not induce vomiting. Call a physician or Poison Control Center immediately. Wear eye and face protection. If in eyes rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to remove. If eye irritation persists seek medical attention. Store in a cool dry place. Keep out of direct sunlight. Dispose Safely.
